Honorable Sir:

Here is a drawing of yourself which I have taken the liberty of making, hoping it will meet with your approval.

I have been unable to find work due to my age, and of course my small pension of \$71. a month is far from adequate; therefore rather than fold my arms and quit trying to earn my living, I am making this effort of drawing a few portraits. I always did like drawing, so am giving this a tryout, and taking a chance to see if I can make my way, especially since July 20th, this year, I now have diabetes.

I hope I am not imposing too much, but I thought, if you liked my work, anything you might care to send me will be a big help to me, and certainly will be very greatly appreciated, I assure you.

Looking forward to hearing from you, and thanking you very much for your kind consideration, I am

Most respectfully,

J. F. Matthews
